FOR ISRAEL'S 70TH:

LEARN  
PLAY  
WIN

Through an original online and mobile gaming platform, we invite you to experience and learn about Israel's history and culture in an all new way.

Winni is an app developed here in Israel promoting "experiential learning"- where students are educated through a fun, interactive and rewarding format.

**1. DEVELOPMENT:** Winni will work with individual schools to develop specific learning platforms that are then integrated into the app.

**2. EXPERIENCE:** With the information built into the app, you're school is ready to enjoy and learn in a truly unique and revolutionary way.

**3. REVIEW AND REWARD:** The app carefully monitors and compiles results so that you can then see how your students have performed and reward excellence.

70 YEARS...1 GREAT ONLINE APP

In celebration of Israel's 70 years of independence, Winni has created a format for students to better appreciate our nation's incredible modern history. Highlighting all aspects of the country's past, its identity and key personalities, students will focus on the story that is the miracle of modern Israel in a way that keeps them engaged, entertained and inspired to learn more.

The Winni Process

The Winni App is already being enjoyed by students and teachers across Israel. As we prepare to celebrate Israel's 70th, now's your chance to benefit from this remarkable and innovative approach to interactive education.

By allowing our students not just to learn- but to EXPERIENCE -we give them the chance to appreciate Israel in a whole new way.
